

THORNHILL PRIMARY SCHOOL

Clough Bank, Rotherham. S61 1TD

www.thornhillprimary.org.uk

Our School Vision.

"Every child, every lesson, everyday."

"Where everyone matters and everyone achieves."

A few notices....

Parking.

If you are dropping your child off for Breakfast Club or collecting them from an after school club please park in a parking bay so you do not obstruct other drivers.

If you are parking on the road outside please do not park on the zig zag lines, or obstruct the road. There are lots of cars outside school at the start of the day and the end of the day - if you are able to walk, it would help ease the congestion.

Appointments.

If your child needs to visit the dentist, opticians or doctors can you please try to make appointments for after school, so your child does not miss any vital learning. We do realise that it is very difficult to change appointments at the hospital.

Food.

We now have a number of children in school who have a nut allergy. When these children come into contact with someone who has eaten nuts they may have a reaction which could be very serious. Bearing this in mind we would like you to consider not giving your child anything in their packed lunch or for a snack that may contain nuts.
