

Term 2A

Which was the biggest dinosaur?

EYFS

How do we know that dinosaurs existed? What features did they have that were the same and different? How do find out more information about dinosaurs? What did they eat? How tall, wide and heavy were they? Why are there no dinosaurs now? Explore these questions and more in this project about dinosaurs and make comparisons of sizes, features and feeding habits.

Possible lines of enquiry include:

- Bones and fossils
- Herbivores and carnivores
- Comparing sizes
- Dinosaur eggs
