Thornhiloffice@Thps.co.uk

Our School Vision.

"Every child, every lesson, everyday."

"Where everyone matters and everyone achieves."

Breakfast.

It's important for your child to eat something nutritious each morning to ensure they have enough energy for the busy day ahead. We appreciate that there are times, in a morning, when you may be rushing or your child doesn't want breakfast at that specific time. If this is your child we would encourage you to send them with a cereal bar or a piece of fruit that they can eat in class while the register is being taken.

Open Evening phone calls.

These will be happening over the next two weeks. Remember to check what time you have been allocated as staff may not have time to ring you back later if you don't answer their call.

Christmas Celebrations.

Unfortunately, due to the pandemic we are unable to invite you into school this year to celebrate Christmas with us. Just before we break up we will post on line a celebration of what each class has been learning about this term.

On the last day of term each class will have a Christmas party so the children can come to school in non - uniform. Please do not send in any food.

As previously mentioned children can send Christmas cards and these will be quarantined for 2 days before they are handed out.

Reading.

Over the next few terms we are hoping to develop an outdoor reading area so if you have any old books that are in a good condition that you were planning to get rid of Mrs Hill would love them.

Poppy Appeal.

Thank you to everyone who bought something from the poppy appeal which supports The Royal British Legion. We raised an incredible £399 and this was the highest amount of all the primary schools in Rotherham. Well done everyone!

Y4 Swimming.

Swimming for our Y4s will begin again on Friday 8th January.

Term Dates

Break up for Christmas on Friday 18th December at 2pm.

Start back Monday 4th January.
