11th December 2020

Dear Parent/Carer,

We have recently been in contact with you to activate your children's accounts with ParentPay. We are now pleased to confirm that from 4th January 2021 this system will be up and running for you to use and make school meal payments on line. The school will be going cashless, and won't be accepting any cash after Easter 2021.

If you need a new activation letter please let the school office know. If you still have the original letter provided, this can still be used.

If you do not have access online or an email address, we can provide a barcoded letter/card that will enable you to make payments for school meals at one of the many Pay Points in the area.

Please ensure that any dinner money that is outstanding is paid in full before we finish for the Christmas break. Any credits or debts will be transferred over on the ParentPay accounts.

We thank you for your continued support.

Yours faithfully,

Mrs K Hill
(Head Teacher)
