Covid19

If your child develops Covid19 symptoms over the first week of the holidays please take them for a test. If the test is positive, please email school with details of when symptoms began and when a test was taken (email above) so we can alert other families that they need to self-isolate.

Jewellery.

Following the recent Lockdown we have noticed that there a large number of children arriving at school wearing jewellery. The wearing of jewellery is discouraged in school for health and safety reasons. Please note jewellery cannot be worn in PE lessons so children need to ensure they can take off their jewellery. Staff are not allowed to remove earrings. When children are playing, necklaces, bracelets and rings could easily catch on other children resulting in an injury or breaking the piece of jewellery.

Uniform.

Please write your child's name on their uniform. Children often remove their coats, jumpers and cardigans when they are playing outside and they get mixed up or children can't identify theirs.

Holiday competition.

Design a book cover for 'The Wizard of Oz'. Please put your name and class on the back of your piece of paper.

Transition.

Many of our Y6s will be anxious about moving to secondary school. Winterhill and Wingfield Comprehensive are hoping to do some transition work with our Y6s but this will very much depend on what restrictions are in place as the term progresses. We will keep you informed of developments. Similarly, this will impact on what we can do regarding transition for other children within school.
