Books are priced at £1, £2 and £3 and will need to be paid for on the day. If you want your child to be able to buy a book send them to school with money on the day. Class teachers will look after this until it is time for children to go into the fair.

Parents of children in Foundation will be given the opportunity to visit the fair with their children and more information will be sent out about this separately. Any other parents who would like to visit the fair with their child can do so from 3pm onwards.

### Squid Game

Squid Game is a Netflix show which has been rated 15 and carries additional warnings regarding sexual and violent content as well as suicide. The show mimics children's games however it ends with participants being violently killed if they lose. There have been some concerning reports recently about children and young people in Rotherham 'playing' Squid Game. Parents are advised to be vigilant about what children and young people are accessing and make sure the content is appropriate. Parental controls are available on apps/websites and can help keep children safe.
